

WASHINGTON DC PRESENTS

# LEARNING ON LOCATION

Episode 1: The Vote

## DISCUSSION

1. Why is it important for all U.S. citizens to vote?
2. The video discusses major milestones in expanding voting rights. How have you been affected by these milestones? Are there any restrictions limiting voters today?
3. The Electoral College is mentioned in Article II of the U.S. Constitution. What does it say? How many electors do you have in your state? Research the National Archives to see the difference between the popular and electoral vote.
4. What are your state's requirements to vote? How and when can you register with your local election office/registrar?
5. Which location highlighted in the video interests you and why?
